# STARS In Concert

## JUST LIKE THE REAL THING

Stars in Concert is a live, on stage re-creation of the performances of the superstars of yesterday and today. Our very talented performers not only sound like the original stars, they look & act like them as well. You will see outstanding performances by stunning look-a-like and sound-a-like greats as Rod Stewart, Shania Twain, Garth Brooks, Frank Sinatra, Cher, The Beatles, Madonna, Dolly Parton, Billy Joel, Neil Diamond, The Blues Brothers and many, many, more. These performers sing with their own natural voices and play their own instruments. THERE IS ABSOLUTELY NO LIP-SYNCING!

In addition to the feature performers, the show also features some of the best singer/dancers in show business today. Also included is a fabulous five piece band to round out this stage spectacular.

Stars In Concert has be performed all over the world in such places as Russia, Japan, Canada, The Caribbean and toured all over the United States.
